Dear Parent or Carer,

As you are aware, your child will be sitting GCSE examinations this summer.

In order to support students to improve their grades and achieve their full potential, we have arranged mathematics revision sessions and feel your child would benefit greatly from attending. The sessions will take place at Notre Dame Catholic College each Saturday commencing 09.45am until 3.00pm. These sessions are being run with the full support of Savio Salesian College.

Topics to be covered at each intensive revision session are those most likely to be tested in the examinations as well as focus areas where your child needs extra support in order to achieve.

We feel it is important that all students have the opportunity to attend these sessions, therefore Savio Salesian College will fund the full cost of this tuition including transport from Savio to Notre Dame. Lunch will be provided for all students. Sessions will begin at 09.45am prompt and finish at 3.00 pm. Students are not required to wear uniform.

I'm sure you will agree this is a unique opportunity for your child to study in order to achieve the best possible grade in his/her GCSE mathematics examinations and hope you encourage attendance.

If you are happy for your child to attend the revision sessions please complete and return the attached permission slip by Monday 20th February as places are limited.

Yours sincerely

D Haldane
