

Pupils will be assessed on the topics listed below.
Pupils may use the following websites to assist with their revision:

CORBETT MATHS – <https://corbettmaths.com/>

BBC BITESIZE (KS3) – <http://www.bbc.co.uk/education/subjects/zqhs34j>

BBC BITESIZE (KS4) – <http://www.bbc.co.uk/education/subjects/z38pycw>

JUST MATHS - <https://online.justmaths.co.uk> Login SavioStudent Password Savio

Topic:			
Highest Common Factor / Lowest Common Multiple			
Prime Numbers (including Prime Factorisation)			
Powers & Roots			
Order & Compare Numbers & Fractions			
Using Inequalities & Symbols (<, >, =, ≠, ≡)			
Decimal Calculations (+, -, ×, ÷)			
Order of Operations (BIDMAS)			
Geometric Notation			
Properties of 3D Shapes (including nets)			
Constructions			
Angle Properties of Triangles, Quadrilaterals			
Collecting Like Terms			
Simplifying Algebraic Expressions			
Substitution			
Writing one number as a fraction of another			
Writing one number as a percentage of another			
Comparing Fractions, Decimals & Percentages			
Ratio & Proportion			
Linear Sequences (including nth term of a sequence)			
Non-Linear Sequences			
Solving Equations			
Expanding & Factorising Expressions			
Inequalities			
Rearranging Formulae
