30th March 2017

Dear Parent/Carer

The arrival of the Easter break also signals the beginning of our last term with Year 11 pupils and with it the imminent GCSE examinations. It is essential pupils are revising daily for at least two hours per night to prepare themselves.

Following on from this, please see below the timetable for the exam booster sessions taking place over the Easter break. You will also find your child's final full written report from the college. If you have any queries, please do not hesitate to contact us.

I would like to take this opportunity to thank you for your support during your child's time with us and I ask for your continued support in these final weeks.

Yours sincerely

Mr B Fox
Head of College
