Everyone is welcome; from year 9s and 10s who are starting to look at college courses, year 11s who are still undecided about what they want to do next year and parents/carers and staff who would like to retrain/upskill or take up a short, leisure course.

Between 5.00pm and 8.00pm potential students can tour the College facilities, meet specialist tutors, talk to current students, learn about College life and participate in subject specific activities.

As well as finding about our Schools leaver courses, during the event visitors will be able to collect a copy of the latest Courses for Adults Guide, promoting the brand new courses starting in September and obtain information about the HNCs, HNDs, Foundation and Top-up degrees offered in a wide range of subjects at the University Centre Southport.

Southport College also offers Apprenticeships in a number of sectors and during the open evening there will be specialists on hand to talk about Apprenticeship options for individuals and employers.
