# YOU LEARN

## What is an Apprenticeship?

It's a real job, with real off/on the job training, meaning you can earn while you learn and gain the necessary skills and professional qualifications needed in your chosen career.

## Why should I choose an Apprenticeship?

- ❖ Earn a real wage
- ❖ Be trained in a profession employers want
- ❖ You are more likely to progress quicker and higher than a typical student
- ❖ Learn at a pace that's tailored to suit you

## What can I Earn?

The minimum wage for apprentices is £3.70 per hour, but some employers may pay more than this.

## What can I do at Mode?

At Mode we specialise in 4 different sectors. We offer Apprenticeships and training in Music Technology, Hairdressing, Customer Service & Business Administration.

**Entry Requirements**  
Apprenticeships are available to anyone over the age of 16 and living in the UK. Each apprenticeship has different entry requirements depending on the sector/job.

# What if I don't feel ready for a **Apprenticeship**?

Everybody develops at different times, and everybody has their own pace. If you feel that you aren't confident or you just need some extra training in certain areas then we have other courses available to support you and get you ready to get onto an apprenticeship.

## What is a **Traineeship**?

This is a 6-8 week course that is unpaid, but is a very useful short course for an individual who needs to develop further skills in the employment industry. Helping you gain the skills and experience needed to progress into employment or apprenticeship. You would also build confidence in the working environment.

## What is a **Study Programme**?

This unpaid course is aimed at 16-18 year olds who do not yet have the skills & knowledge or the confidence to progress from school on to further education e.g an apprenticeship. It is also suitable for learners of this age group who have not yet decided what they would like to do and would like an insight into a particular industry.

If you need further information, or just want to have a chat about your options get in touch today **01517094640** and we will be more than happy to help!
