Dear Candidate and Parent/Carer

Examinations – Summer 2019

PARENT/CARER – Please complete the reply slip and return to Student Services to acknowledge receipt.

Please find enclosed your timetable for the external exams. Check details carefully – particularly the date and time of each exam. Morning examinations start promptly at 9.00am. Although the timetable shows afternoon exams starting at 1.30pm, most actually begin at 1.00pm so please check the DAILY lists in the dining room

The timetable provided is correct at the time of printing but, in exceptional circumstances, changes still occur. Seat numbers will be displayed in the dining room and outside the examinations office before each exam. Please ensure that you check the relevant noticeboards to find your venue and seat number.

Students are responsible for bringing the required equipment to exams (e.g. calculator, pencils and compasses for Maths) and should not rely on the college to provide this equipment.

Warnings and Notices to Candidates are displayed before each exam and you should read these again so that you are familiar with the rules and regulations that apply to all external exams.

Particularly note that ALL MOBILE PHONES, ELECTRONIC DEVICES AND SMARTWATCHES ARE BANNED FROM EXAM ROOMS; if found in your possession, the penalty could be disqualification from current examinations and cancellation of your results.

We expect the behaviour of students in exams to be of the highest standard. Any failure to follow procedures can have very serious consequences such as disqualification from examinations.

Savio Salesian College has an appeals procedure for the internal assessment of work for external exams. This procedure, along with the Examinations Policy which includes the college's compliance with the requirements of the Disability Discrimination Act (DDA), is available on request from the examinations office.

It is important to note that all Year 11 students will continue to attend college until the final exam.

The awarding bodies have designated **Wednesday 26th June 2019** as a contingency day, to be used in the event of national or local disruption to exams in the UK. We remind candidates that they must remain available until the contingency day.

We wish all of our candidates every success in all of their examinations.

Yours sincerely

B Fox
