

The Jamie Carragher Academy, in partnership with Inside Connections CIC, are about to commence recruitment for the next academic year and we are keen to promote the Academy and its courses to any young people you have that are looking to pursue a career in sport.

We are able to offer BTEC Level 2 and 3 in Sport and, for those wishing to take it further, we are now able to offer higher education courses on completion of these other qualifications.

In order for people to find out more, we would like to invite any young person interested to our Open Evening on 5th August 2019, starting at 5pm.

The event will give individuals the opportunity to find out more about the courses, the Academy and to meet graduates of previous courses, as well as meet Jamie Carragher himself.

The event will be taking place at the Academy, based at the following address;
