Dear Parents / Carers

Welcome back to a new school year and thank you for sending in your daughters and sons looking extremely smart and ready to work. I wanted to briefly update you on some of the changes that have taken place over the summer holidays and inform you of important dates in the coming year.

Site staff have been working hard throughout the summer and have ensured that, where possible, we have cleaned up and refreshed the College grounds and buildings. Different areas have been painted, wall displays refreshed and classrooms are more presentable and engaging than before. We hope that this improved working environment will encourage all our young people to aim high.

Uniform has been of a very high standard and all pupils are wearing full school uniform. Year 7 and Year 8 have been provided with school rucksacks and this will continue throughout their time with us. I did write to you in July to say that this would be happening and please do remind your child (if in Years 7 and 8) that the only bag they are allowed to have in school is the one that school have provided.

May I also remind you that mobile phones must be switched off and kept out of sight between 8.30am and 2.45pm. Staff will confiscate any phone that is visible during the day and will return at the end of the school day. If the phone is repeatedly confiscated parents/carers will be asked to collect the phone from Student Services.

We have had an excellent start to the year and this will be ongoing.

After school clubs begin next week and there will be homework bus at 4pm on Monday, Wednesday and Thursday each week. Please do encourage your child to get involved.

For Year 11 this is an exciting and challenging year for them, although I say 'year' it is in fact nine months as exams will start as early as April and not be completed until the end of June 2020. Therefore, please do not book any holidays during this period.

The College is aiming for 100% attendance and punctuality this year and as parents/carers we have a big part to play in encouraging our children to be in school, on time, every day. Minor illnesses should be treated with care but please send your child into school. If they are not here then they are not learning. Please continue to support your child and the College in promoting outstanding attendance and punctuality.

Finally may I also introduce to you some new staff members –

Mr M Hagan (curriculum leader for Science)
Mr B Boylan (second in Science)
Mr M McCarthy (curriculum leader for Performing Arts)
Mrs D Wailes (second in Maths)

Mrs M Hind-Portley (teacher of English)
Mr P Mooney (Associate Headteacher)

Once again, thank you for your continued support and please do not hesitate to contact me either to discuss a matter in person or by telephone/email.

Please see below for key dates for the academic year 2019-20.

Yours faithfully

Mr T Costello (Headteacher)

Tuesday 10 th September 2019	- School photographs for Year 7 and Year 11 students
Friday 20th September	- Inset Day, closed for Savio students as all year 6 from feeder primary schools will be attending Savio
