Dear Parent / Carer,

Year 11 Parents' Exam Preparation Evening, Thursday 24th October 6.00 pm

The end of your child's school career at Savio Salesian College is fast approaching and GCSE examinations are just around the corner. As parents and carers, you play a key role in helping students decide how to put maximum effort into improving their current grades. So that you are aware of the expectations of pupils' home study as well as the best ways you can support them with this, we have scheduled a **Year 11 Parents' Exam Preparation Evening, Thursday 24th October 6.00 pm** in the **College**.

This is the perfect opportunity for you to discuss your child's progress and ensure both you and your son/daughter have the knowledge necessary to give them the best chance of success by preparing well over their last few months with us.

It is strongly recommended that you and your child attend this evening. The evening will take the form of a formal talk and we ask that you arrive before 6.00 pm so that we can start promptly.

We would hope that you are able to make the most of this opportunity and in so doing assist your child in aiming for the very best results that they are capable of achieving.

Yours sincerely,

R. Butler
