Dear Parents and Carers

I hope that you and your families are safe and well and as you may be aware Year 10 pupils were to be invited back in to school week beginning Monday 15<sup>th</sup> June and we were looking forward to seeing them once more and to provide some face to face teaching in a safe classroom environment. My letter today was going to outline how this was to happen but unfortunately a decision was taken yesterday by the Local Authority to delay this from happening until the 22<sup>nd</sup> June at the earliest due to the "R" number in the North West being higher than 1. Whilst we are deeply disappointed about this delay I hope you will understand that the decision has been taken in order to protect all pupils and staff in schools.

However, as of the 22<sup>nd</sup> June when Year 10 are to resume some form of schooling it will consist of the Year group being divided into 4 groups of 20 pupils and each will have 4 consecutive days in school from that date until the end of term. In practice it is still a very limited amount of time in school between now and September but due to the current situation that is all we are allowed to offer. No other year group will be allowed into school before September. Nevertheless, the school has remained open for vulnerable and key worker pupils since 20<sup>th</sup> March and will remain open until the end of term.

I am in school each day, please do not hesitate to contact me either by telephone or email. I will write to you next week with a detailed plan of how we will manage Year 10 from 22<sup>nd</sup> June onwards.

Kind regards and stay safe

T Costello  
Headteacher
