WELCOME TO MYERSCOUGH COLLEGE AND UNIVERSITY CENTRE'S VIRTUAL CAREERS FAIR.

Myerscough's IAG (Information, Advice and Guidance) provision was highly praised in a matrix assessment just before Christmas.

Myerscough underwent a three-day reassessment of accreditation under matrix Standard which reviewed IAG throughout the College. The assessor spoke to dozens of members of staff and students across a range of subject areas and support services to compile a comprehensive report.

The assessor concluded that Myerscough passed with flying colours and that it was a hard challenge to come up with any areas for improvement.

This follows on from us having previously achieved all eight Gatsby Benchmarks – a measure of having excellent practice in careers advice and guidance.

At Myerscough students attend careers events, participate in workshop, mock interviews, and mentoring sessions as well as business games and enterprise competitions, with many of these having to be virtual throughout 2020 due to Covid 19.

Our dedicated Careers Team are always available (in person or virtually!) to chat about the range of careers and opportunities out there after leaving college or university as well as help with job applications and UCAS forms.

TODAY WE HAVE MANY PROSPECTIVE EMPLOYERS AND HIGHER EDUCATION PROVIDERS ONLINE AND READY TO CHAT!
