Dear Parents/Carers,

As part of your child's education at Savio Salesian College we promote personal wellbeing and development through a comprehensive PSHE programme. The government are constantly reviewing and updating guidance. In response to changes to the expectations on the teaching of relationships we have reviewed our policy and adapted our curriculum.

Please be reassured that it is being carried out as part of the holistic education which seeks to form, as well as inform, young people in preparation for adult life. In order for Catholic relationships and sex education to be fully effective and faithful to the Church's vision of human wholeness, whilst recognising the contemporary context in which we live today.

Lessons will be delivered that are sensitive to the needs of the individual pupil and recognises the mix of pupils with different sexual orientations, genders and family backgrounds in each class. All PSHE lessons take place in a safe learning environment and is underpinned by our school ethos and values.

If you would like to find out more about our PSHE programme and Relationships policy please click on the links below:
