

I am writing to invite you, your pupils and their parents or guardians to a British Army recruiting event taking place in Liverpool City Centre on 25th-29th Oct 2021 between 10am-4:30pm. We will have serving soldiers from all across the British Army located at Williamson Square and on Church St comprising of;

Adjutant Generals Corp.
Army Medical Services.
Infantry Teams.
The Royal Artillery.
British Army Outreach Team.

The event will offer all who attend an excellent opportunity to speak to our serving soldiers from different Corps and Regiments and to see some of the cutting edge equipment and weaponry currently used by the British Army.

If you have any questions please drop me an email or give me a call on the number below
