

**Students are invited to come along to a
National Apprenticeship Week Showcase Event with The Sovini Group on
9th February 2022**

A live event delivered via Zoom 3.30pm – 4.30pm

Elevate EBP are hosting an open event via Zoom with The Sovini Group to showcase their apprenticeships programme and offer.

The Sovini Group has been named the Best Place to Work in the UK for the third time (2021, 2020, and 2018), the Best Place to Work for Women 2020 and third Best Place to Work in Europe 2020.

We are a thriving, growing business that creates opportunities and changes lives for the customers and communities in which we work. We are a property management and development company that continues to grow from strength to strength and the success of our commercial members provides investment in social housing and our local communities. As a company we believe our people are our greatest asset. We celebrate diversity and are proud to be an equal opportunities employer and we encourage applications from every member of society.

The event is open to all students from across The Liverpool City Region from Year 11 and 6th Form, we want to invite you (and your parents/guardians if they can attend) to learn more about what opportunities are available to you.

- You will find out about The Sovini Group and the process involved in applying for our roles
- You will see the variety of apprenticeships on offer across our organisation from **Business Administration, Gas, Electrical, Ground Maintenance, Plastering**, and much more
- You will be given tips about applying for our apprenticeships and how to sell yourself
- You will hear about the 'journey of an apprentice' with the opportunity to talk to various members of staff from all departments

We currently have 42 apprentices working with us in a variety of roles and we pride ourselves in ensuring that we offer the best possible journey for our apprentices to develop the necessary skills. You can register your interest in any of our apprenticeships by adding yourself to our mailing list and start to build networks to plan for your future.

Join us for the hour to find out more and start thinking about your next steps.

This is an open, live event via Zoom for students and their parents.

Please register to attend by visiting Eventbrite by clicking [here](#)

(Zoom link will be sent the day before)
