

Dear Parents and Carers of Year 9

I look forward to welcoming you to our **Year 9 Parents and Options Evening** which takes place on **Thursday 3rd March 2022** between **3pm – 6pm**. It is particularly nice to be able to welcome you to our first face to face parents evening since March 2020.

Just so you are aware there will be two rooms in use: the school hall and the dining room so that staff, parents, carers and pupils will be able to socially distance. Staff will not be wearing face coverings, however should you wish to do, please do. Similarly if you have any concerns about face to face meetings please contact the school office and let them know.

When you arrive to school on Thursday you will be given a copy of your daughter/son's progress report and staff will be available to discuss this and their options for Year 10/11. We will explain how the options process will be carried out.

We look forward to seeing you all on Thursday from 3pm onwards. Could I please ask you to be mindful that school closes at 6pm so we would be grateful if you could arrive by 5.30pm at the latest to give you ample opportunity to discuss your child's progress report and option choices.

Yours faithfully

Mr Costello
Headteacher
